

Multi-skilled Maintenance Operative

For over 20 years, our success has been built on creating outstanding developments in desirable locations. Every aspect of the location, design and specification of our homes is carried out with meticulous attention to detail and utmost care.

Over the years we have carefully built our reputation, turnover and sales figures and we have continued ambitious growth targets for the future. Despite our growth, we remain true to our values - giving people real responsibility, acting on initiative and caring for the wellbeing of our employees.

Being a five-star house builder is important to us, quality and customer care is integral to our success.

We are seeking an experienced multi-skilled maintenance person to join our busy occupied home maintenance team.

The successful applicant should have a good range of skills with at least 3 years' experience which should include a high level of building maintenance, ideally gained in a similar environment together with general DIY skills with a bias in carpentry.

This is a busy and varied role covering the Central and Southern Midlands so you will need to be flexible and practical in your approach, coupled with a good working knowledge of health and safety requirements.

Clean Driving Licence and own vehicle required.

We're proud of our reputation as a professional, friendly, approachable business and would like to hear from you if you are interested in finding out more about the role. Please send your CV and covering letter to: customercare@cameronhomes.co.uk

No agencies please.
